[CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe]

Hi Annemarie,

Sorry for the inconvenience on the email, but please see below.

We respectfully request an extension of the conditional approval for 61Brough Rd, "Club 55" for the following reason, the original project manager has left and I am now taking over the project and trying to pull all the information together as to where he left off.

Thank you
Mark Kitner
