

Dear Mr. St. Hilaire,

My family lives on the east side of Concord. My name is Parker Steinberg & I'm in 5th grade at Broken Ground school. I've been watching the traffic circle construction. I think that it would be cool to have a sign to say welcome to east concord or something like that. Was this part of the plan? If not maybe it should be part of the plan.

Sincerely,

Parker Steinberg

P.S. my address is 39 Oak Hill Rd Concord NH
