## Public Meeting Invitation

Community Visioning Charette of the Merrimack River Recreation and  
Open Space Corridor and Kiwanis Riverfront Park

**When:** Thursday, January 19

**Time:** 6 pm

**Where:** City Wide Community Center

In this year's budget we have funds approved to undertake a Community Visioning Charrette to establish a master plan for Kiwanis Park, the Everett Arena, and City owned agricultural land between Terrill Park and Loudon Road (collectively referred to as the Merrimack River Recreation and Open Space Corridor). The goal of the process is to develop a comprehensive vision and strategy for these assets. From this process, a definitive Master Plan shall be developed and implemented for these properties.

*Please join us as we explore opportunities.*
