Signs will be manufactured with 120 Volts A/C. All primary electrical service to the sign and final connection thereof, is the responsibility of the buyer. All work is to be done in accordance with the purchase agreement attached hereto. In case of variance between the specifications of the purchase agreement, and this drawing, the drawing shall prevail.

This sign is intended to be installed in accordance with the requirements of Article 600 of the National Electrical Code and/or other applicable local codes. This includes proper grounding and bonding of the sign.

The location of the disconnect switch after installation shall comply with Article 606.4(A)(1) of the National Electrical Code.
