

CITY OF CONCORD

REPORT TO THE MAYOR AND CITY COUNCIL

FROM: Martha Drukker, Associate Engineer

DATE: March 21, 2018

SUBJECT: CIP#36 Manchester Street Improvements - Accepting and appropriating \$47,770 from Liberty Utility for reimbursement to the City for expenses incurred by the City on behalf of Liberty Utility.

Recommendation

Accept this report.

Background

During the construction of the Airport Road/Manchester Street Intersection Improvement Project the city incurred additional costs resulting from Liberty Utility implementing infrastructure improvements at the intersection after the intersection design had been completed and construction was underway. These expenses included project delays and increased construction and field design costs in the amount of \$47,770.

One third of the cost of the intersection improvements was federally funded and administered through the New Hampshire Department of Transportation. Project closeout documents were completed in the fall of 2017 and final payment received from the state in January 2018. Reimbursement from Liberty Utility was also received in January.

Discussion

It is recommended that the reimbursement from Liberty Utilities in the amount of \$47,770 be accepted and appropriated to CIP#36 Manchester Street Improvements.
