Record of Architectural Design Review Committee Recommendations

RE: July 1, 2025
Architectural Design Review Committee meeting.

Sign Application

Signarama of Concord, on behalf of Home In Hand and Harold E & Judith A Ekstrom, requests an architectural design review recommendation for a 10-square-foot non-illuminated freestanding sign panel (SP-0577-2025), to replace an existing freestanding sign panel and using the existing posts, at 15 Green St in the Civic Performance (CVP) District. (2025-056) (PL-ADR-2025-0096)

Recommend that the Planning Board deny the application as submitted, as changes to the post configuration which have occurred on site and as presented during the public hearing do not provide a uniform appearance and coordination within the site in accordance with Section 5.4(D) of the architectural design guidelines and with the following suggestions: that the applicant request to continue to August ADRC and Planning Board meetings, with a revised rendering depicting the proposed post and sign frame structure; and, that the site address be included on said frame.

Section 28-9-6 (d) *Record of Recommendation*. A written record of the recommendation of the Design Review Committee shall be forwarded to the Planning Board. The record shall state whether the project or permit is recommended for approval or disapproval, include any recommendations for conditions of approval, and state the reasons for recommending disapproval, if such is the Committee's recommendation.

Section 28-9-6(c) *Standards for Recommendations*. In developing its recommendations, the Design Review Committee shall utilize the criteria set forth in the Architectural Design Guidelines as adopted and most recently amended by the Planning Board. The current design guidelines were revised by the Planning Board on April 12, 1991.

Section 28-9-4(f)(6) *Standards for Review*. In the process of reviewing a project or permit for the purpose of making a decision thereon, the Planning Board shall take in to consideration the following:

- a. The criteria set forth in the Architectural Design Guidelines as adopted and most recently amended by the Planning Board;
- b. The goals and recommendations contained in the Master Plan, as most recently amended;
- c. The purposes of this ordinance and of the several districts established herein;
- d. The recommendations of the Design Review Committee;
- e. Reports of the City Departments;
- f. Reports, graphics, and other relevant materials together with information presented at the hearing by the applicant and the applicant's agents; and
- g. Reports, graphics, and other relevant materials together with information presented at the hearing by anyone who can demonstrate that they are directly affected by the application.
