REPORT TO MAYOR AND THE CITY COUNCIL

FROM: Sean W. Brown, Fire Chief
DATE: January 24, 2022
SUBJECT: Report from the Fire Chief on GOFERR Locality Equipment Purchase Program

Recommendation

The Fire Department requests that the Council accept this report requesting to apply for the GOFERR Locality Equipment Purchase Program Grant.

Background

The Locality Equipment Purchase Program provides support of up to \$50,000 per New Hampshire locality (cities and towns) for purchasing safety and emergency equipment needed as a result of or in response to the health crisis and its negative effects.

Discussion

The Fire Department has been staffing a reserve ambulance when system demand created by hospital delays are exceeding our system capabilities. This grant funding will be utilized to adequately equip a reserve ambulance with the appropriate medical equipment for rapid deployment.
