**Subject:** Curbs on Sewalls Falls

Hello Mike and Karen,

Not a topic for budget season, but there is great concern over the number of cars travelling along the shoulder on Sewalls Falls, right next to the sidewalk. I am aware the attached letter and neighbor signatures was sent to you regarding this issue.

Some of this is further escalating due to a close call with a student walking to school. Apparently, a car came around the corner from North State onto Sewalls Falls a little quick and corrected themselves, but not before driving on the tiny strip of grass next to the student. It was a scary moment.

In the coming weeks, if we can chat about this, perhaps on Sewalls Falls, where we can talk specifics about the challenges, that would be great!

Happy Memorial Day Weekend,

Jennifer
