## FIRE DEPARTMENT

### REPORT TO MAYOR AND THE CITY COUNCIL

**FROM:** Guy T. Newbery, Interim Fire Chief  
**DATE:** May 27, 2020  
**SUBJECT:** Coronavirus Grant De-authorization of \$60,581.15

#### **Recommendation**

De-authorize and rescind the sum of \$60,581.15 in FY2020 Coronavirus Emergency Supplemental Funding Grant Program through the New Hampshire Department of Justice.

#### **Background**

On May 11, 2020 the City adopted resolution #9293, appropriating the sum of \$117,000 for equipment and overtime expenses, and accepting the sum of \$117,000 in Department of Justice – FY2020 Coronavirus Emergency Supplemental Funding for this purpose. The Fire Department was later notified by the Department of Justice that the total amount of the award will be \$56,418.85.

#### **Discussion**

The \$60,581.15 was anticipated to be used primarily for overtime costs associated with staffing a dedicated COVID response ambulance. This ambulance was not staffed, and there were no overtime expenses incurred by the Fire Department associated with this grant.
