Hi Carrie,

Thanks for your message. I currently chair the Parking Committee, and am copying Matt Walsh who is the City Staff representative, so that we can look into this further for you.

Could you please tell us your house number on Washington?

Brent

Good afternoon Brent ,

I would like to have the opportunity to speak with you and the city council about the 2 hour parking signs that are located in a residential area in Penacook NH. My Fiancé and I live on Washington St. A few days ago my fiancé

received a parking ticket. We have never received one before this time. Both on my car or his. We also have neighbors that park on the street as well. The signs that are located in the area point to the opposite direction of the location of where we park. However, we still receive a parking ticket. In light of this I would like to request that the signs be removed as this is a residential area and the parking at the property has limited parking. I hope that you are able to help us and I am looking forward to hearing from you. You can email me or call me at anytime. If there is anything I need to do to assist please let me know.

Thank you
