## **REPORT TO THE MAYOR AND CITY COUNCIL**

From: Jennifer Kretovic, Chair of the Rules Committee  
Date: January 20, 2026  
Subject: Proposed Changes to the Rules of the City Council

### **RECOMMENDATION**

Accept this report and adopt the proposed changes as set forth in the attached amendments to Rules of the City Council.

### **BACKGROUND AND DISCUSSION**

The City Council's Rules Committee has been continuously evaluating the current version of the "Rules of the City Council" to determine whether any adjustments or changes to these rules are necessary. During this review, the Committee noted that there are several gender pronoun references that could be updated to reflect the City's inclusive culture. Accordingly, the Committee recommended amending the rules to eliminate these gender pronouns.
