If you are chosen to play on the team, your registration fee will be credited towards the team cost and you will be responsible for the remainder of the team program cost. Those who do not make the team will be placed on a team in the Concord Parks & Recreation League. As a spot is held for you on the Concord Parks & Recreation League, refunds are not issued if you do not make the travel team.

The league season will begin in late November with practices and jamborees. The official season will run December - March. Parents are responsible for getting their player to all games and practices. Practices and home games will be held in Concord, but away game locations will vary throughout southern NH.

# Winter Basketball

## PLAYER INFORMATION

The goal of our youth basketball program is to provide players, ages 4 through grade 12, with the opportunity to learn the fundamentals of basketball while being part of a team regardless of experience or skill level. Not only will players be developing an understanding of the sport, they will gain positive social experiences, promote good sportsmanship and have fun in a supportive environment.

All players are asked to bring a water bottle to all games and practices. We also ask that players switch into non-marking soled sneakers before walking onto any of the basketball courts. If for any reason you are unable to make it to a practice or a game, please inform your coach so they are aware. PLEASE NOTE: If you play on any other organized basketball team between November and March, you are not eligible to play in the recreational league.

## VOLUNTEERS MAKE A DIFFERENCE

Volunteer Coaches Needed!

Do you have what it takes to make a difference? We think you do! Volunteers are the backbone of our sports programs. Because of our solid volunteer base, our programs succeed. Please consider dedicating some of your time to the children of our community by helping them to develop a passion for sports. No reward is as great as knowing that your gift of time and dedication has helped a child.

## YOUTH BASKETBALL COACHES

Coaches are responsible for general team organization, team practices and coordinating the efforts of their players, and assistant coaches during game play.
