

# CITY OF CONCORD

## REPORT TO MAYOR AND THE CITY COUNCIL

**FROM:** Chip Chesley, General Services Director

**DATE:** July 31, 2015

**SUBJECT:** Critical Infrastructure Grant 2016

### **Recommendation**

Accept this report and authorize the City Manager to apply for and accept grant funds available from the New Hampshire Department of Safety relative to the Critical Infrastructure Protection grant funds via the Homeland Security Grant Program.

### **Background**

The General Services Department requests City Council approval to authorize the City Manager to apply for and accept grant funds up to the amount of \$42,500 for the Hutchins Street Water Treatment Facility. The funds, from the NH Department of Safety Critical Infrastructure Protection Program, will be used to purchase video surveillance equipment for the facility to enhance these critical assets and minimize the potential for intrusions and threats.

### **Discussion**

Upon City Council's approval of the consent resolution, the City will execute the grant application and accept receipt of grant funds to purchase the video equipment.
