Re: Changes to Starz/Encore and Epix Programming

Dear Mayor Bouley:

We are committed to keeping you and our customers informed about Xfinity TV services. Please note that in December, the following changes will occur to Xfinity services in your community.

- Effective December 10, 2019, we'll no longer carry Starz Edge, Starz in Black, Starz Comedy, Starz Cinema and Starz Kids & Family, where currently available. For more information about this change, please visit xfinity.com/StarzChanges.
- On December 10, 2019, we're adding Epix to the following packages and Starz will no longer be available: Signature Triple Play, Super Triple Play, Signature Double Play, Super Double Play and Digital Premier Tier. With Epix and its associated content customers will receive unlimited access to hit films, critically acclaimed original series, documentaries and more, uncut and commercial-free. For more information about this change, please visit xfinity.com/EpixChanges.
- Starting December 10, 2019, we'll no longer carry RetroPlex, IndiePlex, Encore Classic, Encore Suspense, Encore Family and Encore Español. For more information about this change, please visit xfinity.com/EncoreChanges.

Customers will be receiving notice of these changes in advance. If you have any questions, please feel free to contact me at 603-224-1871, ext. 202.

Very truly yours,

Bryan Christiansen
