REPORT TO CITY MANAGER, FINANCIAL STATEMENTS

FROM: Brian LeBrun – Deputy City Manager Finance
DATE: April 14, 2026
SUBJECT: March Fiscal Year-to-Date 2026 Financial Statements

The attached financial statements for the period ending March 31, 2026 represent 75% of the elapsed Fiscal Year 2026. The highlights of the City's financial status for this time period are presented by fund or groups of funds below. Comparisons are being made to the FY26 adopted budget and previous year FY25 same period results.

General Fund

Revenues:

- 1) 75% of the way through the Fiscal Year, revenue and expense lines are on track. Current trends are identified below and new trends that develop will be identified as early as possible.
- 2) Assessing –
 - a. Pilot revenue is ahead of FY25 by \$484,300 and ahead of budget at 143%.
- 3) Finance –
 - a. Motor Vehicle Registrations are \$182,500 ahead of FY25 and slightly short of budget at 73% YTD.
 - b. Investment income is \$131,200 short of FY25 and slightly ahead of budget at 77%.
- 4) General Overhead –
 - a. Retiree Health Insurance revenue is ahead of FY25 by \$80,700 and ahead of budget at 80%.
- 5) Fire –
 - a. Ambulance Charges are on target with budget at 75% and ahead of FY25 by \$114,200.

- 6) Community Development-
 - a. Construction Permits are short of budget at 69% and short of FY25 by \$137,900.
 - b. Other Permits are ahead of budget at 79% and short of FY25 by \$49,800

Expenses:

- 1) Most expense items are on track with budget. January represents 38 of 52 payrolls elapsed or 73.08%. This is the ratio that is important to use to compare wage lines to budget. Other notable items are listed below.
- 2) Police –

As of March 31, 2026, the Police Department has 10 vacant positions: 6 police officer positions, 1 lieutenant position, 1 chief of police position, and 2 dispatcher positions. One officer is currently on alternate duty due to a significant long-term workplace injury and is not expected to return to unrestricted duty. Another officer is out of work due to a non-work-related issue, and another officer has been reassigned from patrol to non-enforcement duty.

Six newer officers are close to completing field training, and we have two recruits who will soon graduate from the New Hampshire Police Academy. Recruitment continues to be challenging. As a result, watch commanders have had to staff patrol shifts at minimal levels, straining our response capabilities.

In the Dispatch Unit, another dispatcher-in-training resigned this month. Dispatching is a demanding role, and unfortunately, this trainee was recruited to another police agency. Consequently, police officers are being assigned to cover multiple vacancies in our Dispatch Unit, which is increasing labor costs due to their higher overtime rates.

Overall wages and benefits are 74% spent and \$861,600 more than FY25. Overtime is 175% spent and \$259,400 more than FY25. Included in the overall wage and benefit expenses is the annual charge, \$115,600 for workers compensation. These accounts will be closely monitored through the remainder of the fiscal year.

- 3) Fire –

As of March 31, 2026, the Fire Department has three vacancies, one Fire Training Captain and two Firefighter Paramedic preferred positions.

Overall wages and benefits are 77% spent and \$643,800 more than FY25. Overtime is 101% spent and \$118,800 more than FY25. Included in the overall wage and benefit expenses is the annual charge, \$525,500 for workers compensation. The Fire Department wages and benefits are trending to be over budget for Fiscal Year 2026. These accounts will be closely monitored through the remainder of the fiscal year.

- 4) General Services –

- a. Professional Development is 96% of budget and down \$51,200 compared to FY25.
- b. Auto Parts is 79% of budget and down \$107,700 compared to FY25.
- c. Snow and Ice Removal – there were twenty-seven treatable events through March 31, 2026, twenty-four events required overtime. Overtime is 126% spent or \$15,200 less than FY25. Winter treatment supplies are 112% spent including

encumbrances and \$121,500 more than FY25. Overall, this cost center is 97% spent and \$30,500 less than FY25.

5) Community Development –

- a. Professional Services is 43% of budget and down \$103,700 compared to FY25.

6) Human Services –

- a. Special Program expenses are up \$6,800 and 81% of budget. These costs will be closely monitored for the remainder of the fiscal year.

All departments do a great job of monitoring their individual divisions and departments. These statements, which as provided in this format on a monthly basis, will help articulate how the City is doing overall as the fiscal year progresses. Please give me a call if there are any questions or if you simply want to discuss the statements in general.
