Dear Chief Chisholm,

I wanted to take a moment and comment on recently working with Fire Marshal Paul Sirois. His logical, common sense approach to things are top notch. We had the pleasure of working with Paul recently on a very difficult project at 32 Merrimack street. The project, although fire alarm wise was fairly straight forward was hampered by outside factors and dragged on too long. That being said, Paul's knowledge and professionalism surpass many of the other Towns and Cities personal we have worked with! We look forward to working in Concord in the future and thank you again for such a great team!

Best regards,

Subject: INFO: Positive Comments - HHW Collection Day

Hi Chip and Adam,

FYI, here are some positive Facebook comments on our Household Hazardous Waste Collection Day post. Sounds like the event went well this year!

Amanda Jones

This was organized, convenient, and fast. The staff was all so friendly. We've owned our house for 17 years and this was the first time we remembered to go. Thank you!
