

CITY OF CONCORD

REPORT TO MAYOR AND THE CITY COUNCIL

FROM: Carlos P. Baía, Deputy City Manager – Development
DATE: March 26, 2015
SUBJECT: Correction to License Fee Ordinance for Peddlers, Section 15-8-18

Recommendation:

Accept this report substituting the attached page of the proposed fee ordinance to be considered at the April 13, 2015 public hearing.

Discussion

In reviewing the fee structure applied to peddlers on public property, a scrivener's error was recently discovered in the Code of Ordinances, Chapter 1, Schedule I, Article 1-5 with respect to Section 15-8-18, License Fees (Peddlers).

The fee ordinance, as written, repeats the license fee to vend from a motor vehicle, stand, table, or similar support, at a fixed location on *private property* outside the Central Business District. The second fee should have stated on "*public property*." The ordinance has always been intended to provide one license fee for *private property* and one license fee for *public property* which is the way it has historically been applied in practice.

This typographical error is included in the proposed fee ordinance that will be considered by the City Council at the April 13, 2015 meeting. In order to fix this typographical error, a substitute page for the fee ordinance has been submitted. A copy of that corrected page is attached for your reference.
