The City of Concord resolves as follows:

- WHEREAS, Hoit Road, in the area of Whitney Road, is part of New Hampshire's State Route 4 and Whitney Road's only outlet is onto Route 4 by virtue of a New Hampshire Department of Transportation (NHDOT) driveway permit; and
- WHEREAS, the NHDOT has advised the City of Concord that due to inadequate nature of the Whitney Road/Hoit Road intersection, it may be unable to permit additional development from the Whitney Road corridor; and
- WHEREAS, the City of Concord's Capital Improvement Project (CIP #30) has contemplated the design and construction of an intersection improvement at the crossing of Hoit and Whitney Roads for over a decade; and
- WHEREAS, in late 2019, Laurie and David Rauseo, owners of commercial property immediately abutting this intersection in Concord, commissioned a traffic impact analysis by the engineering consultant firm of TF Moran which concluded that the preferred intersection improvement at Hoit/Whitney Roads would be a multi-lane roundabout; and
- WHEREAS, in May 2020, the NHDOT accepted the TF Moran analysis and concurred that a multi-lane roundabout with related improvements would be the preferred option to accommodate added capacity at the intersection; and
- WHEREAS, the NHDOT has declined to include an improvement to this intersection in the State's Ten Year Improvement Plan (STIP) despite repeated efforts by abutting property owners and the City of Concord; and
- WHEREAS, both Market Basket Supermarkets and the NH State Liquor Commission have issued press releases affirming their intent to build stores on commercial property owned by the Rauseos on Whitney Road; and
- WHEREAS, if the intersection is improved, the Rauseos contemplate developing a shopping center around the Market Basket and State Wine & Liquor Outlet; and

WHEREAS, the improvement to the intersection is also the lynchpin to the future development of the Whitney Road extension (CIP #502) which should result in a significant increase in tax base to the City of Concord; and

WHEREAS, City Council, at its October 2019 meeting, agreed to fund a survey of the intersection as a critical first step toward a future design of CIP #30; and

WHEREAS, the City's consulting engineering firm of VHB completed the survey and is presently working on preliminary design concepts for the improvement; and

WHEREAS, the scale and complexity of this project as well as the urgency to construct this roundabout to align with the delivery of a completed Market Basket and Liquor Outlet buildings by late 2021 or early 2022 requires the City of Concord to design and manage this project; and

WHEREAS, in order to expedite the design process, the City solicited a scope of service from VHB for 100% design and engineering of this roundabout and ancillary improvements for a fee of \$456,000 inclusive of a contingency; and

WHEREAS, if City Council opts to enter into a contract with VHB for the design and engineering of the roundabout and ancillary improvements, City Council will be presented with the preliminary design and project budget at the 30% stage at which time City Council can decide to terminate the project with no further obligation or continue to 100% design; and

WHEREAS, RSA 33:9 mandates that a two-thirds vote of all members of the City Council is required to pass a bond resolution; and,

WHEREAS, this appropriation is for a purpose not included in the Fiscal Year 2021 adopted budget, therefore Section 37 of the City Charter requires a two-thirds vote of the City Council.
