COMMUNITY PLAYERS OF CONCORD NH
PRESENT

VANYA AND SONIA AND MASHA AND SPIKE

TONY WINNER
BEST PLAY
2013

By Christopher Durang

Have the Russians colluded with the Community Players? And who the heck is "Spike"? Vanya and Sonia, brother and adopted sister, took care of their elderly and recently passed parents (who named them after Chekhov characters) and live quietly in rural Bucks County, Pennsylvania. Their sister, Masha, a self-involved movie actress and star of the "Sexy Killer" franchise, joins them for a visit with her current boy-toy, a wannabe actor named "Spike." Between a costume party with adults dressed as Disney characters and a backyard play-reading that goes awry, Masha decides to sell the house out from under Vanya and Sonia. Throw in a psychic maid with a penchant for voodoo, add a star-struck neighbor, and the three siblings are soon forced to confront some all-too-true (and very funny) realities about growing older.
