

CITY OF CONCORD

REPORT TO MAYOR AND THE CITY COUNCIL

TO: Honorable Mayor and Members of the City Council

FROM: Parks and Recreation Director, David Gill

Re: White Park Playground Donation

DATE: April 30, 2025

Recommendation

Accept this report and funding resolution for \$10,000 and set for a public hearing.

Background

In 2024 the city approved \$800,000 for the new White Park Playground (CIP51) (LWCF Grant \$400,000, City \$350,000 and donations of \$50,000). Through an RFP process in late fall 2024 we selected Pettinelli and Associates for the final design and construction.

In March of this year the final quote for the new all-inclusive playground was \$60,000 over the approved funds. Starting in early April of this year the department worked with the Friends of White Park, Mayor Byron Champlin, City Councilor Karen McNamara and the City Manager and created an enhanced fundraising campaign to raise the additional \$60,000.

This \$10,000 donation is from the Lynch Family Trust for the new playground at White Park.
