FROM: David Gill, Parks and Recreation Director

Re: Monkey Around Playground

DATE: November 18, 2019

Recommendation

Review and accept this report.

Information

At the October 7, 2019 City Council meeting there was \$5,000 accepted from the Friends of White Park to fund the design of the new playground at White Park. At the meeting the report was approved to place the funds in a donation account. As this project is currently listed in CIP 51 - White Park, I request the funds be appropriated in CIP 51 for the design of the new playground.

The design of the new playground has recently been awarded to Playground by Leathers. The current Monkey Around Playground was design by Leathers and was built by an army of volunteers almost 27 years ago.
