## **REPORT TO MAYOR AND THE CITY COUNCIL**

**FROM:** Steven R. Smagula, Deputy Chief of Police

**DATE:** March 26, 2026

**SUBJECT:** FY27 Community Project Funding Grant

**Recommendation** - Through the City Manager, authorize the Police Department to apply for federal funding through the FY27 Community Project Funding sponsored by Congresswoman Maggie Goodlander.

**Background** – The Concord Police Department has been a recipient of federal funding for many years used to fund public safety projects not funded locally. Community Project Funding is similar to Congressionally Directed Spending and requires no match.

**Discussion** – This \$350,000 grant request will allow for the Concord Police Department to fully implement a new Crime Gun Information Center (CGIC) at the new police station. This grant request is for the purchase, installation, training, and other related equipment costs of the NIBIN (National Integrated Ballistic Information Network) station. This technology allows law enforcement to compare, store, and find matches in a database to link shootings and identify potential suspects quickly.
