Re: N. State and South St. firemen,

Thank you so much for your help getting my mom up 2 weeks ago when she got stuck in the tub. I am sorry that I can't lift her. You were so gettite and did your best to allay her embarrassment. Thank you for always being ready!

Yours truly,
Kathy [redacted]

Hello,

Last Thursday I called for the ambulance and a former student of mine, Stephanie Costello, was one of the EMTs that brought me to the hospital. They were both great and I wanted to thank them. Can you tell me what firehouse they are associated with and what her partner's name is? Can I bake something or buy something to leave with a card? What is an acceptable/appropriate way to do something like this? Thank you. Michele [REDACTED] [REDACTED] Portsmouth St. [REDACTED] Concord 603-[REDACTED]

Good morning Sue,

I was hoping you can include the email below from the Executive Director of Girls on the Run in the next City Council packet. They held their event at Memorial Field the morning after the terrible incident at the State Hospital.

Thanks

David

Hello John,

We had SUCH a great day on Saturday at Memorial Field!
I've already shared this with David Gill, but I truly appreciated his support over the phone on Friday night - and his text on Saturday morning.
That kind of connection with the city of Concord is exactly why we are so happy to have established such a wonderful working relationship with all of you.

I know we have Saturday, June 1, 2024 locked in for our 5K - but we are toying with the idea of holding two events, back to back, to better steward our teams from across the state.
We have had feedback from our key volunteers, staff, etc. that hosting two events will allow us to not feel insanely rushed to say goodbye to one group of runners, while we "turn the tables" to get ready for the next.

Is the Memorial Field complex even available on Sunday, June 2, 2024?

This is all spitballing for now - but my thoughts are:
Saturday, 6am thru 12noon
Sunday, 6am thru 12noon
Actual 5K would be at 9:00am both days.

Thoughts?

Thank you,
Jen
