

CITY OF CONCORD

REPORT TO THE MAYOR AND CITY COUNCIL

FROM: David Gill, Parks and Recreation Director

DATE: May 16, 2025

SUBJECT: City Council Referral to the Recreation and Parks Advisory Committee regarding the Beaver Meadow Golf Course

Recommendation

Accept the recommendation from the Recreation and Parks Advisory Committee.

Background

On Thursday, May 15, 2025 the Recreation and Parks Advisory Committee reviewed the City Council referral from their March 10th City Council Meeting. The referral was a letter received from Marcy Charette requesting the city designate the Beaver Meadow Golf Course as a city park and move the management of the facility to the Parks and Recreation Department.

The Recreation and Parks Advisory Committee voted, without dissent the designation and management of the Beaver Meadow Golf is decided by City Administration and City Council and not at the committee level.
