Subject: Submission of additional petition signatures requesting the burial of the proposed Northern Pass/Eversource power lines

To: City Council Northern Pass/Eversource Subcommittee Members

From: Ellen Schaffer, Susan Woodard, Lynn Woodard and Other Concerned Concord Citizens

Submitted herewith is a list of 146 additional signatures of petitioners that are requesting the proposed Northern Pass/Eversource power lines be buried if they are to be permitted through the City of Concord. It should be noted these 146 signatures are in addition to the 664 signatures that were previously submitted, bringing the total to 810 signatures requesting the burial of the proposed lines.

Thank you very much for your consideration of these additional signatures.

We support burying the Northern Pass transmission lines thru the entire state but especially thru Concord where they will be in close proximity to many homes.
