

RUNNER'S ALLEY

Supporting Your Every Step

Report to Mayor and City Council

Date: May 10, 2017

From: Sean Gray, Runner's Alley and Capital City Classic 10K Race Director

Subject: Street closure for the Capital City Classic 10K

Request

I am requesting approval of street closings for the Capital City Classic 10K Road Race, Saturday June 24, 2017.

Background:

Saturday, June 24, will mark the 2nd Annual Capital City Classic 10K Road Race. All proceeds benefit the Concord Coalition to End homelessness and Intown Concord. We have been working with both beneficiaries and Capital Area Race Series to ensure a successful event.

Discussion:

The Capital City Classic 10K will take place during the 3-day festival of Market Days. The race will begin on North Main Street, and finish on Park Street. Set up on June 24, 2017, will begin on North Main Street at 06:00a.m.. The race will start at 08:00a.m., and all runners will be off the city roads by 10:00 a.m., with the exception of Park Street. The event and break down will be complete by 11:00 a.m. on June 24, 2017.

Runner's Alley requests the following streets to be closed on Saturday June 24, 2017, in addition to the current Market Days street closures.

1. Southbound lane on South Main Street from Hills Avenue to West Street. From 08:00a.m.-08:30a.m., or until our last runner passes West Street. It should only take 15-20 minutes for all runners to pass West Street.
2. Park Street from Green Street to North State Street from 08:00a.m.-10:00 a.m.

Runner's Alley will continue working with appropriate City and State Departments to arrange all proper procedures, licensing, and other requirements. Runner's Alley will notify all nearby religious facilities, Concord Area Transit, and Manchester Transit Authority of the road race date and times.

Thank you for your consideration in this matter. Please do not hesitate to contact me with any questions.

Sincerely,

Sean Gray – Race Director
