**Subject:** street closure request

Dear Mayor and City Council members:

The Crisis Center of Central New Hampshire requests the closure of Main Street from 4:00 pm to 7:00 pm on October 5, 2016 for our Walk A Mile event (WAM). The section of Main Street from Park Street on the northern end to Pleasant Street on the southern end is the section we wish to use for our walk.

The event is our biggest fundraiser of the year and allows us to bring awareness to the issue of domestic and sexual violence in our community, conduct education in area schools, and to defray the operating expenses of our shelter here in Concord. In 2014 we held the WAM event on Main Street, and even with the rain it was very successful. We moved to White Park last year during the Main Street construction, but recognize that it is more convenient for our participants and better visibility for our generous sponsors to return to Main Street for the 2016 walk.

We hope you will consider our request favorably.

Sincerely,

Tara Reardon

Board Chair

Crisis Center of Central New Hampshire
