RE: Important Information—Price Changes

Dear Mayor Bouley:

We are committed to delivering the entertainment and services our customers in your community rely on today, and the new experiences they will love in the future. As we continue to invest in our network, products and services, the cost of doing business rises. Among our largest increasing costs are the fees we pay to programmers so that we can continue to offer the best in entertainment, news and sports. As a result, starting December 20, 2017 prices for certain services and fees will be increasing, including the Broadcast TV Fee and Regional Sports Fee. A copy of the notice customers will be receiving is enclosed.

While some prices may have increased, we are always investing in technology to drive innovation. We are working hard to bring our customers great value every day and exciting new developments in the near future, including the following.

- The most TV shows and movies available On Demand
- Innovative X1 Voice Remote that makes searching for shows and movies easier
- Self-service options to save our customers time and adapt to their schedule
- Access to Netflix and YouTube content on XFINITY X1
- America's best internet provider, according to Speedtest.net
- The fastest internet and the most WiFi coverage throughout customers' homes
- A new way to personalize and control home networks with Xfinity xFi

A copy of the notice customers will receive with their bill after November 19, 2017 is enclosed. We know you may have questions about these changes. If I can be of any further assistance, please contact me at 603-224-1871, ext. 202.

Sincerely,

Bryan Christiansen

Re: International Channel Package Launch

Dear Mayor Bouley:

We are pleased to share another enhancement we are making to our Xfinity TV offerings.

Comcast will launch up to 42 international channels and up to 30 new international packages in early December (starting on or around December 6th). This launch will give customers access to more international content such as Bollywood movies, Brazilian telenovelas and Chinese news, to name a few.

Xfinity TV customers who would like to purchase these new international offerings will need the necessary equipment to access this cable programming, e.g. X1 or the Xfinity Beta App on Roku.

When these new international channels and packages launch, we will have a dedicated landing page - xfinity.com/moreinternational, which will provide additional information in early December.

Please do not hesitate to contact me at 603-224-1871, ext. 202 should you have questions.

Sincerely,

Bryan Christiansen
