Hello Tom,

I just want you to know what a game changer the Exit 17 rotary as become for our landscape company. Our compliments go out to the entire crew of Merrill Construction & Greg from the city for a great job.

During the entire project - with lane closures, many construction vehicles and a lot of orange cones everywhere - traffic always seemed to flow smoothly & safely. No longer do we need to be worried about pulling out of Old Boyce Rd & Shoestring and risking our lives just to get out of our road!

Kudos to Greg & Merrill Construction.

Sincerely,

Doug Thomson
