Hi Janice,

I am interested in joining the Beaver Meadow Golf Advisory Committee. I have been a member at Beaver Meadow for 15 years and have played there for 30 years.

Over the years I have seen some favorable and yet some not so favorable changes both on and off the course, until of late. The current staff has brought great enthusiasm and pride in the club house as well as on the grounds.

I feel my ability to work well with others and my strength as a team player will be a value add in the continued success in assisting the Beaver Meadow Golf Advisory Committee as they move forward into making positive improvements at Beaver Meadow.

Please let me know what the process is in applying to the Advisory Committee.

Thank you,

Ruthanne Bradley

Mayor Bouley,

I would like the opportunity to serve on the City Golf Course Advisory Committee as a General Public Representative.

I feel my background in business and time served as a City Councilor At large would be helpful to the Committee.

Yours Very Truly,

Mark Coen

Hello, my name is Gary Darby and we talked last Wednesday about my becoming part of the BMGC Advisory Board. I have lived in Concord for almost 40 years and have been playing at Beaver Meadow since 1972. I have seen a lot of changes through the years and would like to have a part in helping to improve the golf and the many events that Beaver hosts in the future.

Thank-you and the City Council for your consideration.

Good afternoon, Janice,

I am reaching out because I saw that there were a few vacancies for a general public representative for the Golf Course Advisory Committee and I wanted to express my interest in joining.

I have lived walking distance from Beaver Meadow for about 20 years and have golfed there since I was about 11 years old (I'm 31 now!) I've seen it grow and change over the years and I believe it will be a great opportunity to be part of that growth moving forward. I've been looking for more chances to get involved in civic engagement as well. I recently was accepted into the Leadership Greater Concord group and also serve on the Business Grants for Teachers committee with the Chamber of Commerce. I would love to serve with this committee as well, both to expand my Concord network and because I have a strong connection with the Beav!

I have attached my resume to this email as well. If it is necessary to send this inquiry as a formal letter, I am happy to do so. Please let me know what further steps can be taken to get involved, and thank you for your consideration.

Have a great weekend,

Cory J. Schofield
