Mr. Thomas J. Aspell, Jr.  
City Manager  
City of Concord  
41 Green Street  
Concord, NH 03301

Dear Mr. Aspell:

Thank you for your letter supporting funding for the Bow-Concord NH Interstate 93 Improvements Project under the Infrastructure for Rebuilding America (INFRA) Discretionary Grant Program established by the 2015 Fixing America's Surface Transportation Act.

The U.S. Department of Transportation believes that, with the right incentives, project sponsors across the country can make dramatic, long-term improvements in the way our country delivers and maintains our transportation infrastructure. As a result, the Department posted the Notice of Funding Opportunity on January 13, 2020, announcing the INFRA funding opportunity for Fiscal Year 2020, project selection criteria, and application requirements. The deadline for submitting final applications was 11:59 p.m. EST on February 25, 2020. All properly submitted applications will receive full and careful consideration.

Your knowledge of the transportation needs in your area is valuable and your interest in the INFRA program is appreciated.

Sincerely,
