*The City of Concord resolves as follows:*

- WHEREAS,** On June 19, 2012, the City received notice from the US Department of Transportation (USDOT) that it had been awarded a Transportation Investment Generating Economic Recovery (TIGER) grant for the Downtown Complete Streets Improvement Project; and
- WHEREAS,** the 2014-2023 Capital Improvement Plan (CIP) included a project for streetscape improvements on Main Street known as the Downtown Complete Streets Improvement Project (CIP #460); and
- WHEREAS,** during the design of the project, investment in the downtown by supporting the design and construction of an innovative sidewalk snowmelt system was introduced as a project option in the downtown complete streets improvement project; and
- WHEREAS,** while the City Council did not include the sidewalk snowmelt system option in the final project scope of work, Council did authorize staff to coordinate with any private property owners interested in supporting the design and installation of a sidewalk snowmelt system, costs of which would be borne by the private property owners; and
- WHEREAS,** through coordination, the City previously received and appropriated such funds (Resolution No. 8828, dated January 12, 2015, and Resolution No. 8863, dated August 10, 2015) for the specific use of designing and installing sidewalk snowmelt systems on North Main Street, in conjunction with the improvement project; and
- WHEREAS,** three property owners within the South Main Street project area have similarly committed to the installation and have made necessary payments for the specific use of installing sidewalk snowmelt systems in conjunction with the improvement project; and
