Hi Janice:

I'd like to refer this constituent request to TPAC.

Thanks!

Yes – right across from Dixon Ave (parking lot). We park just opposite and have to cross Storrs. Too lazy to walk to Eagle Square crosswalk since we just walk up Dixon, between buildings, to N. Main Street corner. Thanks for looking into it and have a wonderful weekend!

Hi Donna:

I'll look into it. Was this on Storrs Street?

Thanks.

Hi Byron,

Just want to mention an uncomfortable incident this morning. For those of us who park across from Dixon Ave, we cross there and come up to Main Street. This morning a car stopped to let me go and the car behind him yelled, swore "This is not a ... Crosswalk!" Such anger!

So perhaps the city could think about painting a crosswalk there? That would be lovely. Thanks, as always, for listening.
