REPORT TO MAYOR AND THE CITY COUNCIL

FROM: Brian LeBrun, Deputy City Manager-Finance
DATE: December 3, 2024
SUBJECT: \$40,000 Diversity, Equity, Inclusion, Justice and Belonging (DEIJB) Funding Report

Recommendation

Accept this report recommending appropriation of \$40,000 for the city Councils DEIJB community work.

Background

The City Council is supporting work to facilitate DEIJB efforts in the community. The Mayor has appointed a committee, made up of diverse community members and elected officials, to work on this project and the work is now commencing.

Discussion

Over the past several years the City Council has made DEIJB efforts a priority in the community. As part of the work, the City Council is hiring a consultant to facilitate meetings and ongoing efforts to make meaningful strides on DEIJB efforts. Funds for this project were not included in the Fiscal Year 2025 General Fund operating budget. This report and the attached resolution will provide funding for the consultant's work and any other expenses necessary for the first phase of this project.
