A discussion was held regarding the height of the unit as it may need to be placed on a platform making it even higher than 33 inches tall. Mr. Gentilhomme suggested picking up the awning design and continuing it as an independent shroud. The Committee requested that the applicant return with revised renderings.

Planet Fitness

Ms. Tomas noted the lighting in the sign inserts of the new Planet Fitness sign seems to be very bright. Mr. Walker will check into this.

Appointments

It was noted that it is time for reappointments of members as some terms are expiring. All members expressed an interest in being reappointed to the Committee.

Adjournment

Mr. King made a motion to adjourn. Ms. Tomas seconded. The motion passed unanimously at 9:00 a.m.
