NEW MULTI-PURPOSE RECREATIONAL BUILDING AT WHITE PARK! (SKATE HOUSE)

The current skate house at White Park was built in 1958. It was immediately used by hundreds of skaters and a generation of Concord youth grew up around the facility. By the middle 90's the building began to decline and shortly thereafter, the bathroom, heating system and the electrical system started to fail. By the late 2000s the building was closed due to numerous safety violations.

At the July 2012 City Council meeting, the Parks and Recreation Director presented a report outlining how the city could use private donations to design a new facility. At the City Council Meeting on August 13, 2012 the City Council approved a donation by the H.L. Turner Group Inc. for the design of a new building. H.L. Turner Group Inc., located here in Concord, offered their architectural and engineering services for the new skate house at no cost to the city. The donation at the time was estimated to be valued at \$60,000.

City Council has approved the new building concept and is interested in building the new facility using a combination of city issued Go Bonds and private donations. The goal is to raise \$450,000 or 50% of the total cost of the building with private donations. To date we have raised over \$100,000. If you are interested in making a donation (small or large) please contact David Gill, Parks and Recreation Director, at 603-225-8690 or dgill@concordnh.gov.

In January of this year, the City of Concord selected Milestone Engineering and Construction based here in Concord to work with city staff and the H.L. Turner Group to develop a guaranteed maximum price for the new building. Once we receive this number we will work with the community to raise the funds needed - we would love to have the building open by January 2019.

When built, this new multipurpose building could be open year round to support programming and activities such as: art programs, birthday parties (next to a great playground!), summer camps, yoga classes and much more. The facility will also provide ice skate rentals during winter months.

ADOPT A SPOT

Adopt a spot provides a unique opportunity for the business community and individual volunteers to play an active role beautifying the City of Concord through the adoption and sponsoring of a site. There are multiple spots up for adoption throughout the city.

With a minimal commitment of periodic litter pick up, mowing, trimming, weeding and planting at your site, you can greatly contribute to keeping Concord a beautiful place to live and work. A sign will be placed at the site in recognition of your sponsorship.

To join our efforts in making Concord a cleaner, greener city, please contact Chris Jacques at the Parks and Recreation Department at 225-8690 or via e-mail at cjacques@concordnh.gov. You may also visit our web page at www.concordparksandrec.com.

Summer Camps/Track & Field

It's Time To Plan Your Summer!

We believe that summer is a time for having fun, making new friends and experiencing new activities and adventures. Our summer camps allow your child to do just that in a safe, day camp setting. Please read our "Parent's Guide" from cover to cover, as it will answer many of your questions regarding your child's time at camp. This guide is located on our website.

Camp Staff

Traditional camp staff (Stay & Play Camp, Rec Adventure Camp, & Teen Adventure Camp) are selected based on their interest in working with children. All counselors have had previous experience either as campers themselves or as camp leaders. The staff have CPR and First Aid certification. Creativity, enthusiasm, and excellent communication skills are strong characteristics of our camp staff members. Staff work together as a team and are involved with the campers at all times. The Parks & Recreation Department provides an excellent in-service training program for its staff and requires background checks prior to the start of camp.

SCHOLARSHIPS

Concord Parks & Recreation Department tries to keep its fees at an affordable level for all Concord/Penacook residents. If you have an unusual family financial situation that limits participation due to the fee, please contact the Parks & Recreation Department to make arrangements for a fee reduction. Scholarships are not available to non-residents or for adult programs. Scholarships are available for most (but not all) youth programs/camps. Unfortunately, we are not able to offer scholarships for the following summer camps/programs:

- * Learn-to-Row *Golf Camp & Lessons * Red Sox Trip
- *NFL Flag Football * Theatre Camp *High School Soccer

The program is skill-based, instructional, and provides the perfect opportunity to try out a new sport, learn a new skill and make new friends. For those new to rowing, our Learn-to-Row will allow you to experience the teamwork of sweep oar rowing – you don't need experience and it isn't physically intensive. Attendees can expect some light land work: rowing on rowing machines and maybe some light conditioning exercises.
