

CITY OF CONCORD

REPORT TO MAYOR AND THE CITY COUNCIL

FROM: David Gill, Parks and Recreation Director

DATE: August 13, 2018

SUBJECT: Repurpose funds in CIP569 to replace Cemetery Sweeper

Recommendation

Accept this report and approve the attached consent resolution.

Background

The 2002 sweeper we have at the Cemeteries is no longer working and we are now unable to get parts for the piece of equipment. The sweeper is vital for the operation as it is used throughout the grass growing season and is heavily used for leaf pick up in all the cemeteries

Sufficient funds to purchase a replacement sweeper can be made by repurposing \$23,400 from CIP569 Fiscal Year 2018 and \$9,100 from CIP 569 fiscal year 2019.
