Dear Jo,

More evidence that libraries
and librarians are the best!

I never thought that the library
card via my key ring would
lead to the recovery of my small
bag containing our keys and earrings
lost in an Airbnb several years
ago.

Having replaced my library card
when I lost it, you needed to
research to figure out that the
card was mine.

I was so pleased & excited
to get your call.

Thank you so much for your
help!

Felice Buister.
