

To Mr Jim Bouley,

This week I read in the Monitor that Dairy Queen, a Bank and a Restaurant might go where the old movie place is and the building next to it on Loudon Rd. I am very upset, **we DO NOT NEED ANOTHER BANK ON THAT ROAD.** We sure don't need another Ice Cream place because you have **ARNIES** right down the road.. And take a good look around sir : **HOW MANY MORE BANKS DO WE NEED ON THAT ROAD. SEND THEM OVER TO NEW MINY MALL THAT IS BEING BUILT !**

I understand that there is about 4 Acres of land there. Well why not try to get something else that Concord could sure use like.the following :

Golden Coral, that would bring a lot of people from the surrounding areas out for a Great Buffet, they are well known in around the country. Or even a **IHOP** or even **CRAKER BARREL**, Concord needs something new. The problem with the Capital is there are way too many **Lawyers and Banks** in this great city. Feel free to share this with **The Hodges Companies** please
Please give this project a great deal of thought. Please.

I and many others do not like this idea.

Sincerely yours:

Theresa Camire
