Janice Bonenfant, City Clerk  
 City Hall  
 41 Green Street  
 Concord, NH 03301

Dear Ms. Bonenfant:

I am reaching out today to introduce myself as the new Transportation Director for the Community Action Program of Belknap and Merrimack Counties, Inc. (CAPBMCI). As the Transportation Director I am in charge of operations and management of Concord Area Transit (CAT); the Volunteer Driver Program (VDP); and the Rural Transportation System buses (RTS), these are the senior center buses located throughout Belmont and Merrimack Counties. In addition, I am supervising the Mobility Manager and oversee all FTA 5310 RCC funded programming for the Mid-State Region.

I replaced Jim Sudak as the Transit Director for CAT effective July 1, 2019. Jim has accepted the position of Facilities Manager here at CAPBMCI.

Prior to coming here to Concord I was the Transportation Director for Southwestern Community Services in Claremont NH where I assisted with restarting the transit system and volunteer driver program in that region. Before that I worked for RLS and Associates as a consultant providing technical assistance and training to rural and small urban transportation providers across the country.

I respectfully request that the City Council consider accepting me as a replacement for Jim Sudak on the City of Concord's Transportation Policy Advisory Committee, (TPAC). Given my extensive and varied transportation background I feel that I am well qualified for the position, and I am excited to begin working as part of the team that works so hard to ensure that the citizens of Concord have access to a variety of quality transportation options in the region.

I am happy to provide further information to the City Council, or answer any questions that they may have, about my qualifications for the position.

Sincerely,

*Terri Paige*  
 Terri Paige
