Re: Programming Advisory

Dear Mayor Champlin:

As part of our ongoing commitment to keep you and our customers informed about changes to Xfinity TV services, we wanted to update you that Comcast's right to continue carrying Fuse TV HD and FM HD expired at 8:59pm Eastern time on December 31, 2024. As a result, absent a renewal of the agreement, we are not currently authorized to carry HD and FM HD as part of our lineup. In your area, the change will impact the following channel(s):

- Fuse HD channel 1414
- FM HD channel 1638

We always work to reach deals that make sense for our customers. To date, however, Comcast has been unable to reach an agreement to continue to carry Fuse TV HD and FM HD content.

Since we are not currently authorized to carry Fuse TV HD and FM HD programming, we have implemented a channel slate (advising of unavailability) on the channel and activated www.xfinity.com/programmingchanges to help keep our customers informed during this period. We will continue to provide updates to you and our customers as they become available.

Please do not hesitate to contact me should you have any questions. For your convenience I can be reached at Bryan_Christiansen@comcast.com.

Very truly yours,

Bryan Christiansen
