Subject: Re: Conditional Acceptance Request Documentation

Hi Bryant,,

I would like to request the acceptance of the Kyle Road extension from Sandwood Crossing into Vintage Estates including the intersection of Kyle Road and Sanoma Lane. Would also request the acceptance of Sonoma Lane south to the Vineyards including the cul da sac.

Please let me know if this is not adequate for you for the acceptance.

Reggie,

I am putting together a request to Council for the Conditional Acceptance of portions of Kyle Road and Sonoma Lane as we previously discussed. Can you send me a formal request for the City to conditionally accept portions of the street? The report is due this Wednesday (6/19) so if you could get me something by mid-afternoon tomorrow, I would appreciate it (PDF of letter or email is acceptable). Also, please make sure the request is specific as to the portions you would like to be accepted.

Please let me know if you have any questions.

Thank you,

Bryant
