

Dear Mr. Mayor,

My name is Sadie Pelletier. I am concerned about the number of plastic bags that are used in our grocery stores. So I suggest that we put paper bags and boxes or bring your bag. Here are a few facts about plastic bags and what they do to our world.

1. Americans use **100 BILLION** plastic bags in a year.
2. About **100,000** ocean animals are killed from plastic bags.
3. All plastic bags are only used for 12 minutes.

Thank you for taking the time to read my letter and I look forward to hearing from you.

Sincerely,

Sadie Pelletier
