

# CITY OF CONCORD

## REPORT TO THE MAYOR AND CITY COUNCIL

**FROM:** David Gill, Parks and Recreation Director  
**DATE:** September 28, 2021  
**SUBJECT:** Request to add Murals in City Parks

### **Recommendation:**

Accept this report.

### **Background**

At the August 2021 Recreation and Parks Advisory Committee heard from Overcomers Refugee Services whom would like to create a mural on one of the sheds at Keach Park. Committee members supported the concept and made a recommendation to create a process to allow public murals in city parks.

The following guidelines are recommended to allow Murals in City Parks.

- Final drawing and location of mural need to be approved by City Manager or designee at least 30 days prior to creation.
- All murals must be family friendly.
- No advertising is allowed.
- The organization/person creating the mural is responsible for addressing any graffiti or repainting that may be needed in the future.
- The organization/group painting the mural must follow the Cities procedures for insurance and waivers.
