

CITY OF CONCORD

New Hampshire's Main Street™

Fire Department

Sean W. Brown
Fire Chief

REPORT TO MAYOR AND THE CITY COUNCIL

FROM: Mark Hebert, Deputy Fire Chief
DATE: February 28, 2022
SUBJECT: Report from the Deputy Fire Chief on Swiftwater Rescue Equipment Grant

Recommendation

Accept this report and appropriate the amount of Ten thousand dollars (\$10,000) of grant funding provided through the New Hampshire Department of Safety Homeland Security Grant Program (HSGP). This funding will be used to support technical water related emergencies.

Background

The Concord Fire Department is identified as one of six swiftwater rescue capable organizations available for deployment in the State of New Hampshire.

Discussion

These funds will allow the Fire Department to purchase swiftwater rescue equipment that can be utilized for water rescue operations in Concord or other areas that may experience water rescue emergencies. There is no requirement for any matching city funds to be obligated for this purchase.
