Tom Aspell, City Manager
City of Concord
41 Green St.
Concord, NH 03301

Dear Tom,

On behalf of the Intown Concord, Inc Board of Directors, staff and volunteers, I'd like to take this opportunity to thank the **City of Concord** for their aid and participation in the 11th Annual Halloween Howl.

The event was a huge success, with thousands of attendees and participating merchants. We were all taken aback by the turnout this year. Having the City Plaza available for use was a great benefit for the attraction placed there that kept the event lively throughout the evening.

Thank you again for your generous support and for your dedication to the Concord community and to Intown Concord. We look forward to working with you for many events to come.

All the best,

Haylie Stoddard
Event Coordinator

Dear Mayor Bouley,

I am writing to compliment one of our Concord police officers, Officer Brophy. I had occasion to ask him for help on a difficult matter, and he handled it very well. He was professional, capable, and thorough, and he followed up with me perfectly.

He did a great job, and I hope you let him know how much I appreciated his help.

Sincerely yours,

Dave Ruedig

Re: River's Edge Estates

Dear Mr. Hall:

I wanted to drop you a note to again tell you how much we appreciate your efforts and those of your staff to assist us and to facilitate the issuance of certificates of occupancy on the units at 37 Longmeadow Drive, and 31, 43, 46 and 49 Hazel Drive. We recognize that you and all of your staff went above and beyond to accommodate our need and recognize that missteps on the part of the contractor and subcontractors vis-à-vis inspectional services created hardship not only for us, but for your department as well.

Again, thank you.

Very truly yours,

Mark H. Fay

Good morning Tom,
I had the pleasure this past Wednesday to visit with two City employees.

I met with Matt at the Library for one on one technical help with my tablet. Matt was very help in our 45 minute session. He was not only very knowledgeable but a very good teacher. He helped me with every question I had and perhaps most importantly made sure I knew how to perform various tasks once I got home. The City should be commended by offering this service to the public.

Also, on Wednesday, I attended a program at GOOD LIFE where Jill McDaniel Huckins was the guest speaker. Jill was well prepared with an interesting power point presentation. Her knowledge of Concord cemeteries was amazing. She obviously goes above and beyond her job description and creates opportunities for the public to not only learn but participate in a wide variety of activities.

Both Matt and Jill are outstanding city employees.

Best regards
Carolyn Tracy

Hi Mr Gill

I just wanted to take a quick second and share with you how well Justin Wheeler did at our home game last Saturday night, stepping into big shoes at memorial for the first night. He was wonderful to work with and was very passionate about his work and desire to support.

He even stop by and dropped off a whiteboard to us this week that we forgot there.

Very kind!

All my best,
Annie
