  - Course has been very busy with 56 events in May 65 and 65 events in June.
  - Sales are good in the Pro Shop. Phil stocked up on a lot of inventory, especially golf balls, which are harder to come by in these days of delays and shortages. Brian LeBrun commented that it was a smart move by Phil to do so.
  - Rounds are steady. Approximately 3,400 members and approximately 4,400 green fees rounds since April.
- 4) **Course Update:**
  - The 10 green and the 17 tee area have been sodded; also sodded around hole 17.

Several committee members mentioned that they had received positive feedback about the condition of the course. Brian noted that the work on the course is being done with relatively lean staff – 1/2 to 1/3 of staff compared to other courses - and gave kudos to Pat and his staff.

Corey Schofield mentioned that the sign at the entrance to the course is obscured by tree growth. Phil indicated they will look into it.
