May 30, 2015

Mr. Byron Champlin
Ward Four City Councilor
154 Rumford Street
Concord, NH 03301

Dear Mr. Champlin,

Please accept this letter and resume as my application for the Ward Four representative for the Parks and Recreation Advisory Committee.

I moved to Concord in 2004 a few months before the birth of my first child. A large part of the reason my husband and I choose to move here was because of the beautiful parks, pools and availability of children's programs. All of these are managed by the Parks and Recreation Department.

Since they were toddlers both of my children have participating in Park and Recreation programs. Starting with "splash tots" swimming lessons and "Sporties for Shorties". We are now active with summer camps, soccer and basketball leagues, even fishing! I myself enjoyed tennis lessons organized through the Parks and Recreation department last spring.

I would like to serve on the advisory board as a voice for families with school age children.

I believe I will be a good representative for Ward Four on the Parks and Recreation Advisory Committee.

I look forward to hearing from you.

Sincerely,

Amelia Martin Brock
