Janice--would you please add this to the June City Council Meeting Agenda for forwarding to the Traffic Operations Committee?

Thanks.

Subject: Crosswalks on South St.

To: <jim4concord@gmail.com>

Hi Jim,

I'm a constituent on Broadway near the fire station. I like to walk as much as possible with my kids in the area to their schools at Abbot-Downing and Woodside on Fruit Street. Crossing South St. can be precarious. There are so few crosswalks on South St. and mostly by the elementary and middle school. It would be great to get one closer to the old Rite Aid location and possibly between Humphrey and Noyce Streets. Would this be possible? How do we go about getting a new crosswalk?

Thanks for your consideration on this matter.

Always,
Ali
