Hi Nancy,
I just had a chance to read your ordinance changes. They are very well done.
Thanks for everything. Just let me know if you need me Monday.
Dana

Hi Dana,

Thanks for your voicemail this morning. Believe it or not, you were on my "to-do" list of things to take care of today before I'm out for 2 weeks beginning March 10th (returning on March 28th) but I do appreciate your gentle nudging. ☺ Either Heather Shank, Assistant City Planner, or Carlos Baia, Community Development Director, will be at Monday's City Council meeting to speak to the report and answer any questions.

Attached, are the documents I have prepared for the Council meeting on Monday March 14th. Below is the link to the Council agendas. If you check the "most recent agenda" late Friday afternoon, the agenda should be uploaded so you can see where the item falls. Because it needs to go back to the Planning Board for a public hearing for the Council can hold its public hearing on the matter, it will be listed under the consent reports for the Council meeting on Monday. A councilor may decide to pull the item for discussion, in which case, questions for staff may come up. Otherwise, the consent report will be approved in one fell swoop with all of the other consent reports on their agenda. The next step will be placing it on the Planning Board agenda (hopefully for April).

Please do not hesitate to contact me before I leave the office at 5:00 tomorrow afternoon if you have any questions or comments.

Take care Dana.

Nancy
